Prepare Student Login Information to Send Home

There is no student app for Progress Learning. We designed our program to be accessible for students on any device that has access to a web browser (Chrome, Firefox, Safari, etc.).

Students will need to use the URL, app.progresslearning.com/login to log in.

1 Manual Login

To log in to Progress Learning, your students will go to app.progresslearning.com/login and use their account ID, username, and password to access their account.

1 Manual Login

A screenshot of the manual login form. It has three input fields: 'Account ID', 'Username', and 'Password'. To the right of these fields are four social login buttons: 'Sign in with Google', 'Sign in with Clever', 'Sign in with ClassLink', and 'Sign in with Canvas'. Below the input fields is a 'Log in' button. At the bottom left is a 'Forgot Password?' link, and at the bottom center is a 'Simple Sign-On >' link with a question mark icon.

3 Clever/ClassLink Login

2 Simple Sign-On Login

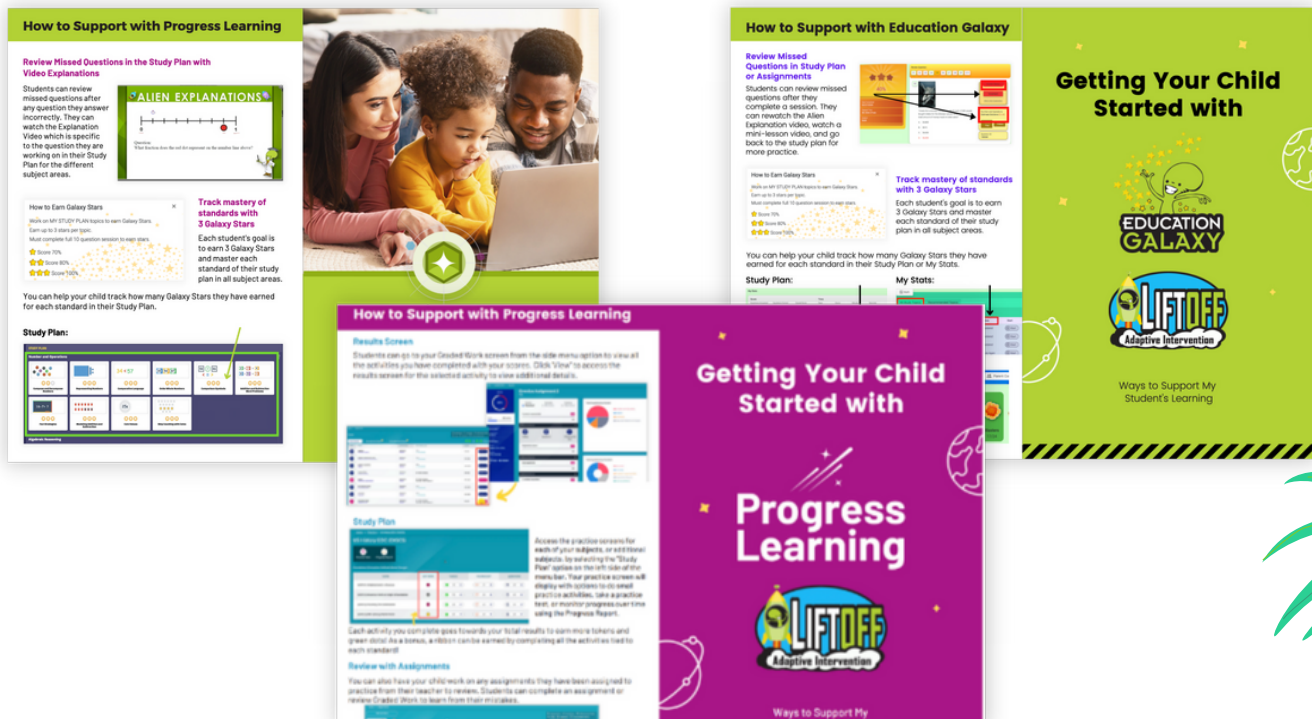

To learn how to print and give students their login information, click [here](#).

2 Clever/ClassLink Login

If Progress Learning is rostered through Clever or ClassLink, students will not need a separate password for Progress Learning. They will log in through your campus portal and click on the Progress Learning logo on their dashboard to log in to their account.

Students can also log in to their Clever/ClassLink portal from the Progress Learning login page. This will then redirect them to log in through the Clever/ClassLink portal.

Send Family Resources Home on Best Practices

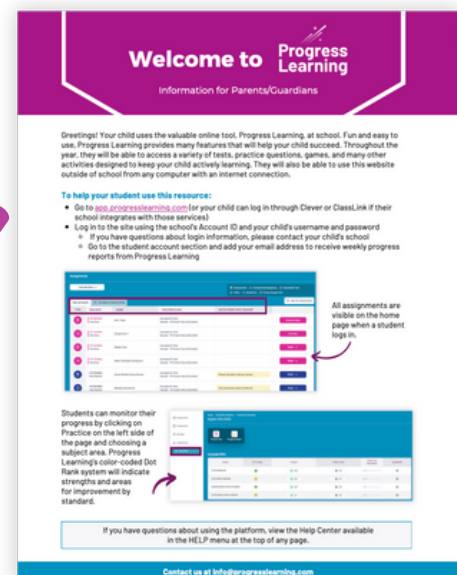

Connect families to Progress Learning by downloading and printing our family brochures. Progress Learning can be accessed on any device wherever there is an internet connection. Get the most out of Progress Learning by communicating its benefits to your families.

Teachers can print the family brochure front and back, fold it, and send it home as an info guide for families on how to use Progress Learning at home and support their students.

Download and print this family letter to send home with your students. This welcome letter will give families the first steps on how to start using Progress Learning at home with their child.

Student Activity Suggestions for Practice at Home

Option 1: Follow a Weekly Schedule for At-Home Practice

Here's a suggested weekly schedule of what students can do to review and practice in Progress Learning.

Mon	Work for 30 minutes in your Study Plan. <i>K-5th grade students try to earn 3 Galaxy Stars to show mastery on a standard.</i> <i>6th-12th grade students work toward turning at least 1 yellow dot or 1 pink dot into a green dot to show mastery on a standard.</i>
Tues	Complete practice with videos in your Study Plan for two standards with the 10 question practice set questions. Write 3 reflections on what you learned for each video.
Wed	Take a practice test in your Study Plan and review any questions answered incorrectly. The results can be found in your Graded Work.
Thurs	K-8th grade students complete fluency practice in Skills Practice for 20 minutes. 6-12th grade students work to earn at least 5 tokens and celebrate practice in the Game Arcade.

Option 2: Empower Student Choice with Practice at Home

Have students complete this choice board to help them achieve three learning goals for the summer. Click [here](#) to download.

Choice Board

Complete this choice board to help achieve your three learning goals for summer. Each time you complete a task, show your teacher.

Master a standard in your Study Plan	Review a graded assignment	Complete a printable Progress Learning activity
Complete all videos for 1 standard	Write a reflection of what you learned after completing a standard in your Study Plan	Work on 2 standards in your Study Plan
Retry a standard in your Study Plan under 70%	Free choice	Complete a small practice test in your Study Plan
Write an encouraging note to a student in your class to keep working hard	Complete a medium practice test in your Study Plan	Work on 1 standard in your Study Plan

Option 3: Set Summer Goals for Practice at Home

Help students set goals of what to practice over the summer with student goal setting templates. Click [here](#) to download.

Student Goal Setting Forms

The forms include sections for:

- Liftwell + MAP Student Goal Setting:** A table for tracking progress on various standards.
- Clarify and Review Questions:** A section for students to write and review questions.
- My Recommended Topics of Study:** A section for students to list and track their chosen topics.
- Student Goal Setting:** A larger form with a progress bar and checkboxes for tracking overall goal completion.
