

# Tier 3 Summer Intervention with Liftoff!

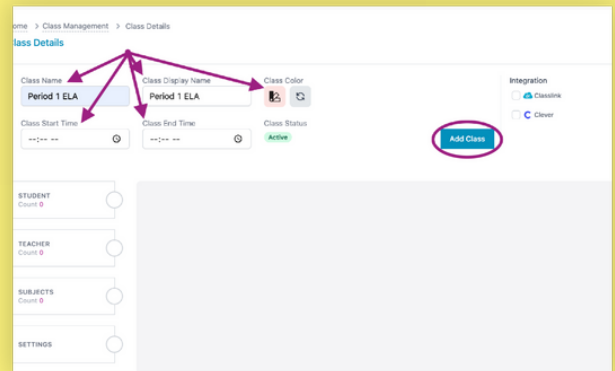

**LIFTOFF**  
Adaptive Intervention

Below is a checklist with best practices on how to implement **Liftoff** to support summer learning for your students.

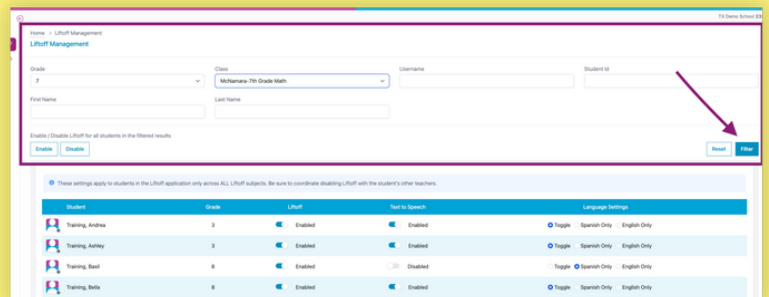

## 1 Create classes in Progress Learning. Click [here](#) to learn how.

- Set your class name and color code to create individual groups.

## 2 Enable Liftoff for students. Click [here](#) to learn more.

- Customize individual student settings. Click [here](#) to learn how.

3

Import MAP MOY year scores into Liftoff if your school integrates with **NWEA MAP**. If your school does not integrate with NWEA MAP for Liftoff, have students complete the diagnostic assessments.

- After diagnostics are completed or NWEA MAP scores are imported, review data and set specific learning goals with our [student data templates](#).
- Track progress weekly with our Liftoff Detail Growth Report.
- [Track progress](#) weekly with Liftoff and NWEA MAP reports side-by-side.
