

### 1 Diagnostics

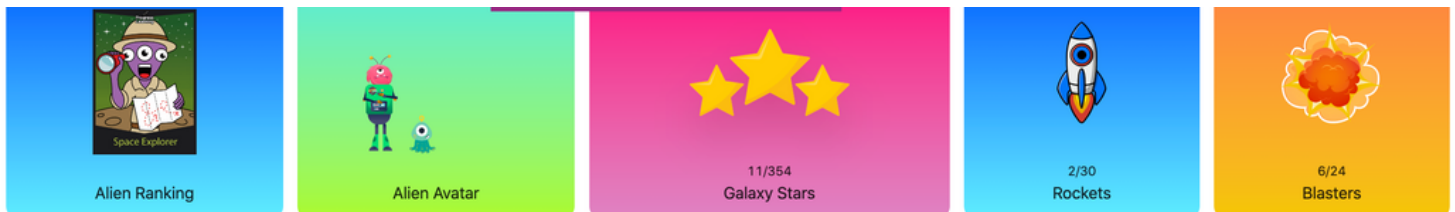

There are 7 diagnostic assessments. There are 4 assessments in math and 3 assessments in reading. The diagnostics only need to be taken one time during the school year. These assessments will identify any topics you need to review and practice.

### 2 My Galaxies

After you complete a diagnostic assessment in math or reading, you will have practice in "My Galaxies."

### 3 Assignments

All upcoming and past due assignments are displayed here. You can also access your saved activities to complete later.

### 3 Assignments

### Diagnostics 1

Author's Purpose and Craft	Liftoff TX Reading	0	0	0%	<a href="#">Resume</a>
Multiple Genres	Liftoff TX Reading	0	0	0%	<a href="#">Start</a>

If you use NWEA MAP, students do NOT need to complete the diagnostics in Liftoff. Students will complete their Beginning of Year NWEA MAP assessment. Once their NWEA MAP assessment is complete, their RIT scores can then be imported into Liftoff.

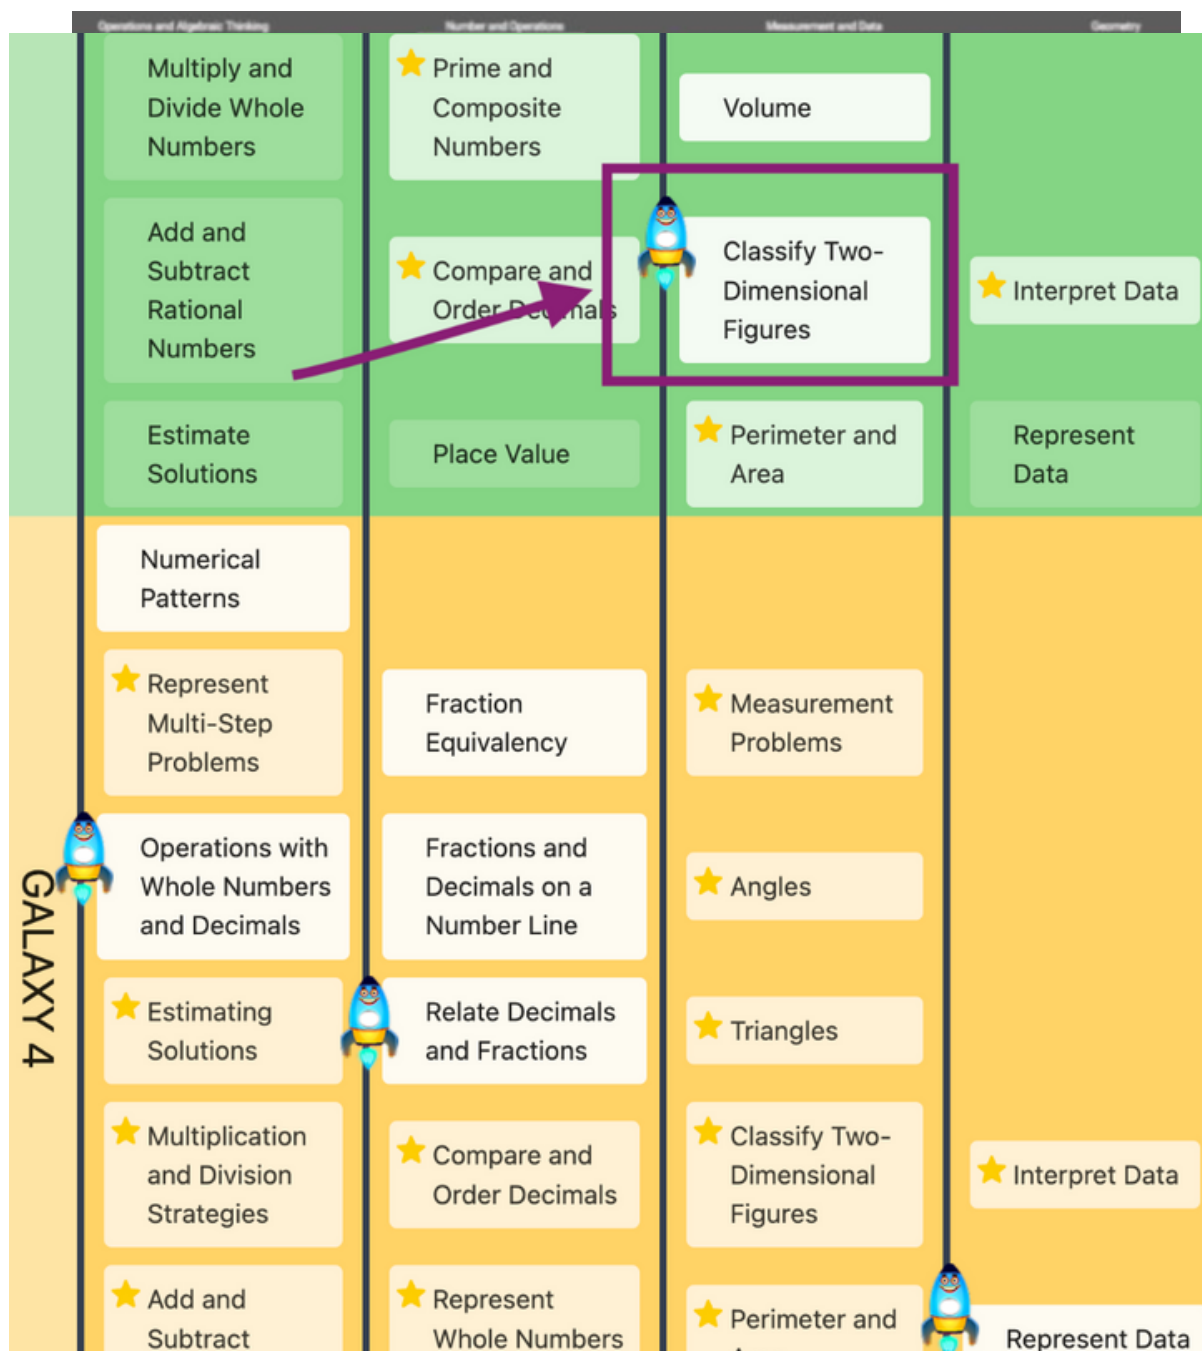

### Need help?

Click on the "Help" link at the top to access our library of articles to assist you!

## My Galaxies

You will click on “My Galaxies” and click on the standard next to the rocket. The rocket will move up when you score 80% or higher on the topic and earn a Galaxy Star. Your mission is to get their rockets all the way to the top!

## Earn Galaxy Stars

Earn Galaxy Stars by answering questions correctly in your practice. Galaxy Stars show your hard work and mastery on your standards. Your Galaxy Stars also unlock exciting games, rockets, blasters, and more!
