

Student Quick Start Guide

6th-12th Grade

1 Game Arcade

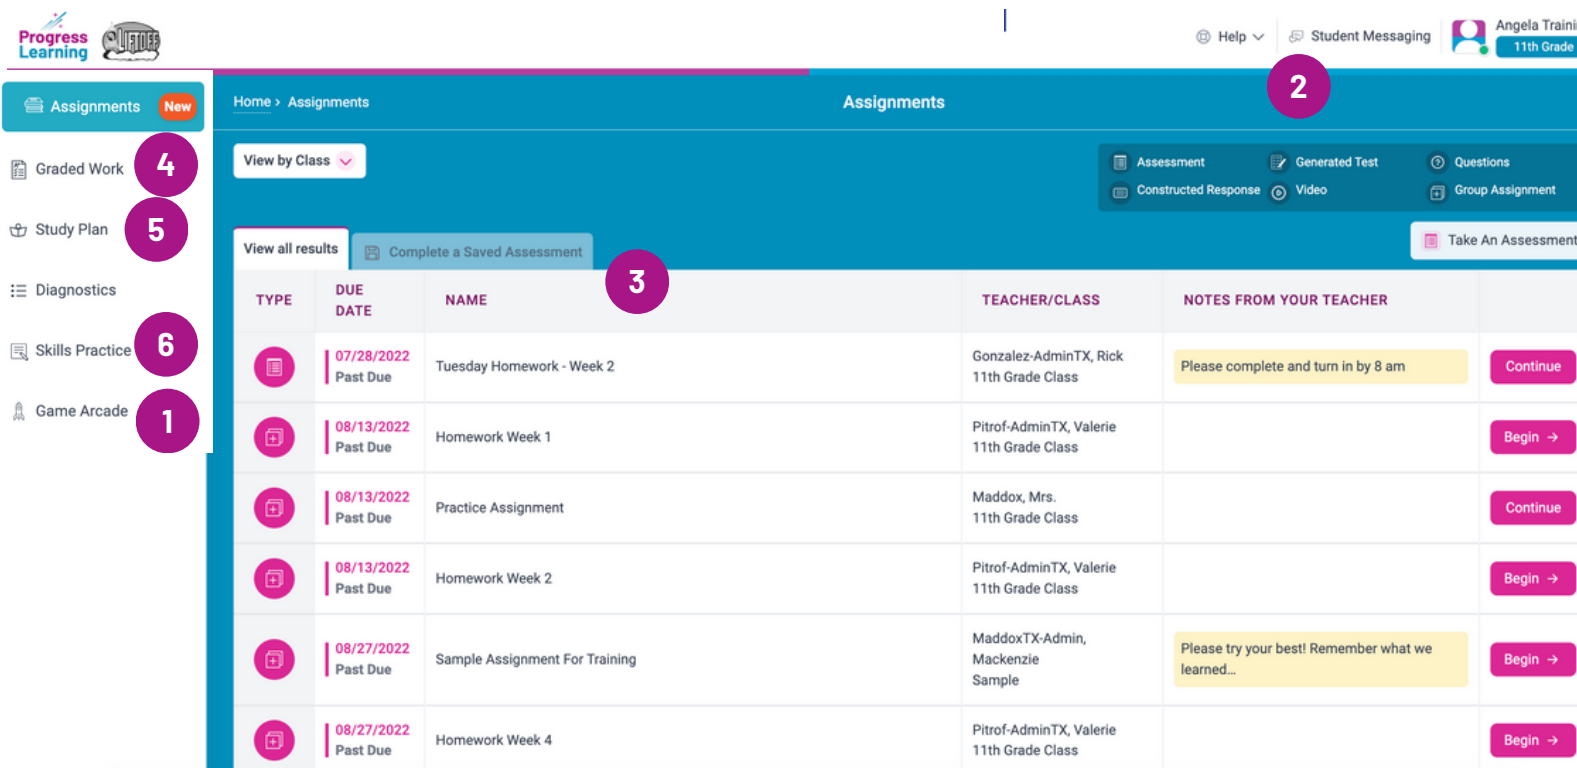

Students in Grades 6-12 earn tokens for the work they complete in Progress Learning and they can use the tokens as currency to purchase access to the Student Game Arcade.

2 Student Messaging

Click on "Student Messaging" to view messages sent from your teachers. The icon will pulse if you have new messages.

3 Assignments

All upcoming and past due assignments are displayed here. You can also access your saved activities to complete later.

The screenshot shows the 'Assignments' page in the Progress Learning interface. The left sidebar contains navigation links: Assignments (New), Graded Work, Study Plan, Diagnostics, Skills Practice, and Game Arcade. The main content area is titled 'Assignments' and includes a 'View by Class' dropdown, a 'View all results' button, and a 'Complete a Saved Assessment' button. A table lists assignments with columns for Type, Due Date, Name, Teacher/Class, Notes from Your Teacher, and a status button (Continue or Begin). The table contains six rows of assignments, including 'Tuesday Homework - Week 2', 'Homework Week 1', 'Practice Assignment', 'Homework Week 2', 'Sample Assignment For Training', and 'Homework Week 4'. Numbered callouts 1 through 6 point to specific features: 1 points to the Game Arcade link in the sidebar, 2 points to the Student Messaging icon in the top right, 3 points to the 'View all results' button, 4 points to the Graded Work link in the sidebar, 5 points to the Study Plan link in the sidebar, and 6 points to the Skills Practice link in the sidebar.

TYPE	DUE DATE	NAME	TEACHER/CLASS	NOTES FROM YOUR TEACHER

Assignment	08/27/2022 Past Due	Homework Week 4	Pitrof-AdminTX, Valerie 11th Grade Class		Begin →

4 Graded Work

Click on Graded Work to access all graded assessments, assignments, and independent practice. You can see how you did on a specific activity by clicking the "View" button. For areas where you scored less than 80%, you can access additional practice to work on attaining a green dot!

5 Study Plan

Study Plan allows you to work on videos and questions based on the subject and standard you've selected. You can practice in subjects you are currently studying, or you can practice in subjects not currently assigned to you in "Additional Subjects."

6 Skills Practice (6th-8th Only)

Skills Practice allows you to review and practice fact fluency and skills in math and reading. You will reinforce practice by racing against another student to answer the question correctly and quickly.

**This feature is enabled by the teacher for students as needed.*

Need help?

Click on the "Help" link at the top to access our library of articles to assist you!

Study Plan

The Study Plan screen of the platform allows you to work on a variety of activities – videos and questions based on the subject and standard you've selected. You can practice in subjects you are currently studying, or you can practice in subjects not currently assigned to you in "Additional Subjects."

1 Practice Subject Tests

Click on the "Practice Tests" icon to take summative tests without your teacher assigning them to you.

2 Click on a Standard

Choose a specific standard to begin various review activities on your own. In order to complete an activity, you must earn 80% or higher on practice questions to mark the activity as complete. Track your progress for activities on this page with the Practice Progress bar on the right. You'll earn a star ribbon when you complete all activities in a standard.

The screenshot shows the Study Plan interface. At the top, there's a header for "7th Grade Math" with a "Subject Tests" icon (labeled 1). Below this is a table with columns: Subject, Overall Dot Rank, Total Completed Assignments, Study Plan Activities, Total Time Spent, and Dot Rank Summary View. The table shows "7th Grade Math" with a dot rank of 84 (labeled 3), 0 assignments, 4 activities, and 00:00:18 time spent. Below the table is a section for "Probability and Numerical Representations" with a "Domain Practice test" icon (labeled 4). This section has a table with columns: NAME, OVERALL DOT RANK, VIDEOS, QUESTIONS, and PRACTICE PROGRESS. The first row shows "[7.2(A)] Relationships Between Rational Numbers" with a dot rank of 60 (labeled 2), 0 videos, 0/1 questions, and 0.00% progress.

3 Progress Report

Your Progress Report and Dot Rank data will update with every activity you complete to reflect your mastery of each standard. You can earn a pink, yellow, or green dot. Your dot rank is based on all of the activities you have completed for your teacher and on your own!

4 Domain Practice Tests

Click on the "Domain Practice Tests" icon to take domain-specific tests without your teacher assigning them to you.

Focus Areas in Study Plan

Your Focus Area in your Study Plan is calculated by all the activities completed from assignments, the Study Plan Practice, and assessments.

Here you can view your Overall Dot Rank, and see an individualized learning plan of what standards need further practice with additional videos and questions.

The screenshot shows the Focus Areas section. It has a header with "Study Plan" and "Focus Areas" tabs. Below the header is a table with columns: Name, Overall Dot Rank, Questions Answered, Videos, and Questions. The table lists several standards with their corresponding dot ranks and progress. A legend at the top right indicates that yellow dots mean "Approaching Mastery" and pink dots mean "Critical Need For Study".

Name	Overall Dot Rank	Questions Answered	Videos	Questions
[8.5.B] Nucleic Acids and Cell Differentiation	75	16	0/4	0/1
[8.6.A] DNA	75	4	0/14	0/1
[8.7.A] Common Ancestry	87	6	0/4	0/1
[8.4.A] Prokaryotic and Eukaryotic Cells	50	22	0/2	0/1
[8.7.B] Fossil Record	50	6	0/2	0/1
[8.7.D] Elements of Natural Selection	50	6	0/1	0/1

Diagnostics will no longer be required in order to generate results to create a learning path for students. Any standards where 2 or more questions have been answered will be included for students.

Any standard that is 'yellow' means Approaching Mastery, while any standard that is 'pink' means Critical Need for Study.
