Our Scores Speak for Themselves

When the Texas State Board of Education evaluated supplemental mathematics programs through the HB 1605 IMRA process, **Progress Learning ranked #2 statewide**, just behind HMH's 99%. This ranking confirms that our content, assessments, and support systems meet or exceed the highest standards for quality, rigor, and student impact.

Built for Texas. Proven in Texas.

- **100% TEKS-aligned** across all items and assessments
- **STAAR®-style formats** prepare students for success
- **Research-backed impact:**
 - **300+ Texas districts** already using Progress Learning, including **Forney ISD** who saw significant gains in MAP Math, Reading, and Science

Achieving the #2 ranking validates our commitment to Texas educators and students. Every feature is designed to help Texas learners master the TEKS and excel on STAAR®."
