

Summer School Prep Checklist

Group Students by Need

Use your data to build focused intervention groups.

- Review **Progress Reports and Assessment Results**
- Identify specific skill gaps by standard
- Create **small groups** based on student needs

Set Up Student Access

Make sure everything is ready before summer begins.

- Update **student settings** for summer use
- Confirm rosters and access for all students
- Ensure students can log in and begin right away

Build Targeted Learning Paths

Provide structured support aligned to priority standards.

- Embed **Liftoff adaptive intervention** into student practice
- Use **individualized study plans** to guide practice
- Focus on the **most critical standards for readiness**

Incorporate Instructional Practice

Reinforce learning with aligned activities.

- Add **instructional activities** into your summer curriculum
- Use a mix of **practice, videos, and assessments**
- Support both remediation and on-grade-level instruction

Set Goals & Monitor Progress

Keep students motivated and track growth.

- Set **student goals** using Progress Reports
- Monitor performance regularly
- Adjust instruction based on real-time data

Plan for a Start to Next Year

Use summer learning to prepare for what's ahead.

- Export **Progress Reports** for documentation
- Identify remaining gaps for fall instruction
- Share insights with next year's teachers or team
