

# Progress Learning Enhancements

This fall, your Horizon Education account is getting an upgrade for the 2025–26 school year. **Your account will now include all of these features and benefits available with Progress Learning at no additional cost.**

## Assessment Builder

Create custom or pre-built assessments with just a few clicks. With access to over 200,000 rigorous, standards-aligned items written by experienced educators, you can build assessments that mirror your state's summative tests and support formative checks along the way.

## Individualized Study Plans

Our auto-generated study plans give students a clear roadmap for mastering standards. Powered by assignment data, these plans adapt as students grow, offering focused practice and instructional videos tailored to their progress.

## Remediation

Target learning gaps the moment they appear. Our platform offers quick-click remediation and adaptive tools like Liftoff, guiding each student back on track with personalized support aligned to their needs.

## Gamification for Student Engagement

Learning feels like play with our built-in arcade games, Galaxy Stars, and avatars. As students master standards, they unlock rewards—boosting motivation and turning practice into something they look forward to.

## Aligned Content

Every question, video, and activity is aligned to your state's standards so educators can teach with confidence and students can master exactly what's expected on test day.

## Bellringers

Start every class with purpose. Our bellringers reinforce prior learning, preview upcoming concepts, and free up teacher time—all while giving students a consistent, standards-aligned routine.
