

# ECE (K-1) Student Platform

Let's take a look at the elementary Study Plan for K-1 grade level students.

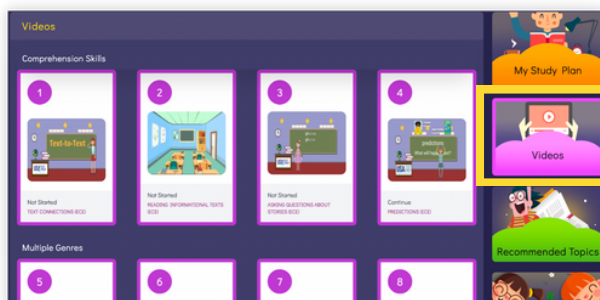

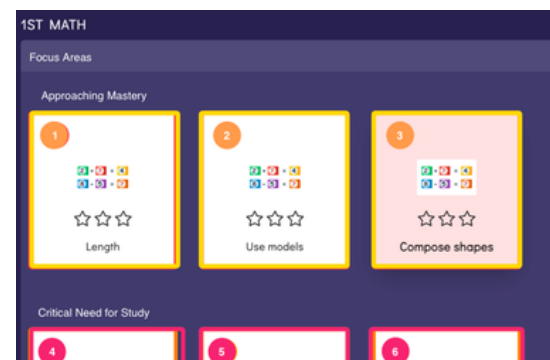

## Focus Areas in the Study Plan for K-1st Grade

Focus Areas are individualized learning plans that identify which standards and skills students need further practice on. These standards will be identified in red as Critical Need for Study or yellow as Some Study Required. This Focus Area individualized learning plan will be a culmination of activities from assignments, assessments, and practice from the Study Plan.

## Study Plan for Kindergarten and 1st Grade

Teachers can assign other grade level Study Plans to specific content areas to provide remediation as well as, subjects for advanced or excelling students needing a greater challenge. Students can videos to review the standard prior to beginning the 10 questions randomly selected to check for mastery of the standard.

## Videos in the K-1 Student Dashboard

When students click "Videos," they will be able to access instructional videos to reinforce and review the standard before attempting the "Practice" with 10 questions in their Study Plans.

## Assignments for K-1st Grade

Students can locate assignments given by their teacher on their main dashboard in the cloud located under the rocket. Students can also easily track their due dates, notes from their teacher on the specific assignments, or view the assignment type they were given.
