

# Progress Learning & Liftoff

**LIFTOFF**

## Tier 1

Progress Learning is an online supplementary platform that offers support for on-grade-level learners.

## Study Plan

Individualized formative and summative assessments for standards mastery.

## K-12

Progress Learning offers support for grades K-12.

## Tier 2 and 3

Liftoff is an adaptive intervention platform that focuses on below-grade level skill gap recovery.

## My Galaxies

Individualized recovery path only focusing on below-grade level skill gaps.

## 2-8

Liftoff offers support for grades 2-8.

## PAIR FOR ALL-TIER MASTERY

Using **Progress Learning and Liftoff together** creates a dynamic, comprehensive data-driven instructional model that supports students at every level. This ensures a strong foundation, continuous growth, and improved learning outcomes across all grades. Here's why you should invest in both:

Tailored, comprehensive support for all students

Data-driven personalized learning for all students

Struggling students thrive, on-track students excel

Increased engagement and student confidence
