

# **Supporting Secondary Students and Beyond**

Progress Learning offers so much more than state-specific test prep. Here is a list of some of our more unique offerings!

## Armed Services Vocational Aptitude Battery (ASVAB)

Progress Learning offers supplemental support to prepare students for this multiple-aptitude battery which measures developed abilities and helps predict future academic and occupational success in the military.

#### **GED®**

Our supplemental practice from Progress Learning ensures students are prepared to earn their high school equivalency diploma.

### **ACT® WorkKeys®**

Through Progress Learning, students can reinforce practice for these courses and assessments, which build and measure essential workplace skills that can affect job performance and increase opportunities for career changes and advancement.

#### **ACCUPLACER**

Students can use our supplemental practice to prepare for this test, which helps colleges assess student readiness and make reliable placement decisions.

#### **HISET®**

Students can practice in Progress Learning to ensure they pass this test and earn a state-issued high school equivalency credential allowing them to advance their career, join the military, begin a training program, or continue their education.
