

# Texas Practice STAAR® Assessments

Texas

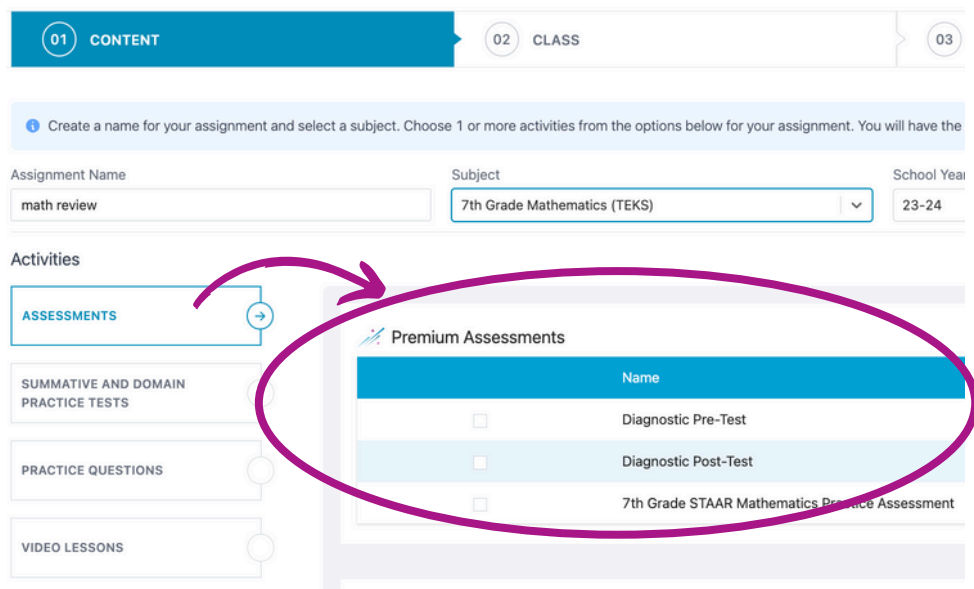

We've got something special for you, Texas! You can now prepare your students for their STAAR Assessments with Progress Learning practice tests, which are specifically designed to mimic the real exams.

These practice tests are an excellent way to give your students a closer look at what to expect on their end-of-year assessments and for you to gather insightful data to help them succeed. They are as close to the real thing as possible to ensure that you gather the most accurate data for your planning. This is just the latest addition to our extensive standards-aligned materials to help students achieve standards mastery!

## Practice Assessments are available for:
