

Teacher Directions: Help students learn how to navigate Progress Learning. In small groups or independently, have students scan the QR code to watch the video for each section of the student dashboard. Students can then write 1-2 sentences next to each section on what they learned about that part of their student dashboard. Once all areas are filled in, students will have successfully completed their scavenger hunt!

Pages 3-4 are the answer key for the teacher.

If you would like to do this as a whole group, click [here](#) for a video to watch as a class. You can do this activity over multiple days if needed.

Teacher Directions: Below is a teacher answer key with a suggested answer students could have written down. Answers will vary for each student. Click [here](#) for a video of all sections. You may fast-forward to sections of the video if needed.

1 Rewards

Scan to watch

I need to earn Galaxy Stars to unlock rewards. Galaxy Stars are earned by working hard and mastering my practice in my assignments or Study Plan.

2 Student Messaging

Scan to watch

I can see messages that my teacher sends me.

The screenshot shows the Education Galaxy dashboard. Callout 1 points to the 'Space Explorer' character. Callout 2 points to the 'Teacher Chat' button. Callout 3 points to the 'Assignments' button. Callout 4 points to the 'Graded Work' button. Callout 5 points to the 'Skills Practice' button. The dashboard also displays '11/354 Galaxy Stars', '2/30 Rockets', and '6/24 Blasters'. A table of assignments is visible on the right side of the dashboard.

Type	Due Date	Name	Teacher/Class	Notes From Your Teacher	
Assessment	07/07/2022 Past Due	Day 1 Diagnostic	Baker-AdminTX, Becca Sample - 3rd Grade Class (Baker)	Do your best!	Begin →

3 Assignments

Scan to watch

I can see when I have new assignments or assessments with the due date. My work is saved.

4 Graded Work

Scan to watch

I can see my grades for my assessments and assignments. I can see what questions I

answered correctly or incorrectly to review.

5 Skills Practice

Scan to watch

I can race against other students to practice skills in math or reading. I need to do my best to answer questions quickly and correctly to win.

Study Plan

1 My Study Plan and Focus Areas

Scan to watch

Here is where I can practice standards for different subjects. I can watch videos and work on practice questions. If I get a question correct the first time, I get to play a game. If I get a question incorrect, I do not get a game and will review with a video to help me do better next time.

2 Progress Report

Scan to watch

This is a progress report for each of my subjects. I can see how I am doing on my standards with a colored Dot Rank so I know which standards need more practice.

The screenshot displays the 'My Study Plan' interface. On the left, there are sections for English, Math, Science, and Social Studies, each with buttons for 2nd and 3rd grade levels. The main area is titled '2nd Grade Reading (TEKS)' and shows a 'Study Plan' section with a table of standards and their status. A 'Progress Report' section is also visible, showing a table of standards with overall scores and questions answered.
